Heritage Conservation Committee, NMC

Documentation Cell

Smt. Manoramabai Mundle College of Architecture along with Heritage Conservation Committee of NMC, established a Documentation Cell to document listed heritage structures of the city. Documentation cell is a centre under whose capacity, documentation of heritage structures is carried out.

Representatives from Heritage Conservation Committee ,Nagpur Municipal Corporation, PWD , Nagpur Improvement Trust, History Departments, Structural Engineer and Heritage Experts are on advisory board of the cell..

Purpose of the Cell

- To create a thorough basis for an active interaction/intervention with the existing (historic) built environment and the management of change.
- To learn from the past in order to base the new development.
- To promote the interest and involvement of people in the preservation of heritage through the dissemination of recorded information.
- To provide/create a permanent record /reference of unprotected historic buildings and sites.
- To create resource material for education and training of architects in enabling them to develop their skills and comprehension of the discipline of architecture
