SWACHH PURASKAR

Nagpur Municipal Corporation hereby calls out to all the nagpurkars to enthusiastically participate in the largest competition undertaken by NMC to engage citizens to participate in various competitions and get felicitated along with attractive cash prizes and trophies and certification of participation as swachhagrahi.

BACKGROUND

Nagpur city is one of the largest city of Maharashtra State with an estimated population close to 30 lakhs. Driven by the rapid urbanization, the city has taken initiatives to ensure a sustainable future and to transform into a Swachh City. Additionally the city has also witnessed several innovative initiatives undertaken by various stakeholders (private/ public/ NGOs/ corporates) to improve hygiene and sanitation status of the city. In order to motivate and create awareness about the outstanding work carried out by various stakeholders, it is imperative to recognize their efforts and felicitate them for the same.

SWACHH SURVEKSHAN

Swachh Survekshan (Cleanliness survey) is an annual survey of cleanliness, hygiene and sanitation in cities and towns across India. It was launched as part of the Swachh Bharat Abhiyan, which aims to make India clean and free of open defecation by 2 October 2023. The first survey was undertaken in 2016 and covered 73 cities (53 cities with a population of over a million, and all state capitals); by 2022 the survey had grown to cover 4355 cities and was said to be the largest cleanliness survey in the world. The surveys are carried out by Quality Council of India. Nagpur City has enthusiastically taken part in this survey and appeals to all citizens to be a part of it.
