295	Taek (Tectona grandis) (Well Developed)	1	No.	315	Radermachera plant (Well Developed)	1	No.
296	Red sandal (Well Developed)	1	No.	Development of Vertical Garden at Various Sq. In Nagpur City			
297	Rose wood (Well Developed)	1	No.	1	Providing & Installation of vertical Garden at below mentioned ten spots, having Aluminium/GI framework fitted	1	Spot
298	Couroupita guianensis (Well Developed)	1	No.	Development at Nagpur International Airport from Terminal Building to Pride Hotel Square for G20.			
299	Grevillea Robusta (silver oak) (Well Developed)	1	No.	1	Vertical Garden Omni Green Wall System with ELT Growth Media Providing ELT Omni Green Blower	1	No.
300	Terminalia Arjuna (Well Developed)	1	No.	2	Liner Green Wall System with ELT Growth Media. Providing ELT Liner Green Blower system with all accessories as ELT	1	No.
301	Khaya Senegalensis (Well Developed)	1	No.	3	Topiary Plants (Malpighia shrubs) Cone, Spiral, Round with various Sizes - 400x400, 200x200, 150x150, 100x100, 50x50	1	No.
Development at Nagpur International Airport from Terminal Building to Pride Hotel Square for G20.				4	Topiary Plants (Boganvaliya Shrubs) Ball shape - 21" X 21" with Ht. 4 ft to 5 ft.	1	No.
1	Pergola at back side Lawn of Dr. Ambedkar Statue Size - 10X2X2 Mtr	1	No.	5	Topiary Plants (Nikodiya) Cone shape - 25" X 25" with Ht. 5 ft to 6 ft.	1	No.
Sculptures				6	Topiary Plants (Ficus) Column shape - 21" x 21" with Ht. 7 ft to 8 ft.	1	No.
2	Tiger cub Material :- MS Metal, Size:- Ht. 5 feet, Width:- 7.2 feet, Weight:- 600kg (With base)	1	No.	7	Topiary Desmodium Yellow Plants Ball shape - 21" X 21" with 4 ft to 5 ft Height.	1	No.
3	Orange Tree Material :- The tree trunk & branches in MS, The canopy in FRP	1	No.	8	Shed Loving plants (Aglaonima) - 12" X 12" with 1.5 ft to 2 ft Ht.	1	No.
4	Peek-a-Boo Material :- Carved in Natural Laterite	1	No.	9	Shed Loving Plants (Radermachera) - 21" X 21" & 18" X 18" with 4ft to 6ft	1	No.
5	Flag (3 Feet x 5 Feet) - Double Sided	1	No.	10	Cone shape Eugenia Red Plants - 25" X 25" with 4 ft to 6 ft height.	1	No.
6	Flag Hoisting Pole 110 mm dia. Galvanised (GI) metal poles 6 m long, powder-coated, with base plate and flag hoisting cleat ad	1	No.	11	Laying of Inline Drip Irrigation System for Shrub and Plantation area	1	No.
				12	Laying of POPUPS Sprinklers for Landscape and Lawn area	1	No.
				13	Installation and Laying of Mini Sprinklers and Mister	1	No.
Providing & Fixing of Sculpture at Hotel Pride to Hotel Le Meridien				Providing & Fixing Selfie Point Sculpture at Various Garden at nagpur City			
1	Providing & Fixing Lotus at Mihan triangle ISO (International organisation for standardization) FRP 6 mm thickness lotus/ GRC material with, stone glass finish (sample approval must from Arch.), with exterior	1	No.	1	Providing, Fabrication & Erecting 4.8m high real looking shuttlecock having bottom diameter of 4.2m and top (cap) diameter of 1.8m. The shuttlecock will have eight (8) feathers. The shuttlecock is to be installed at an angle of 20 to 30	1	No.
2	Providing & Fixing TIGER, Mihan triangle / strip side (Actual tiger size) one sitting Tiger, size as specified in	1	No.	2	Providing & Fabricating Vintage Industrial Table/Night lamp having height of 4.5m. The Bulb/lamp cap will have the	1	No.
3	Providing & Fixing TIGER, Mihan triangle / strip side (Actual tiger size) one standing Tiger, size as specified in			3	Providing, Fabrication & Erecting Old style octagonal shaped umbrella having inclined height of 4.8m and	1	No.
4	Providing & Fixing DEERS, glowing, in FRP, thickness 4mm, at Mihan side strip (Actual Deer size) At Mihan side strip			4	Providing, Fabrication & Erecting Spectacles of Dr. BabaSaheb Ambedkar Ji having height of 7.4m, width of 7m and	1	No.
5	Providing & Fixing DEERS, glowing, in FRP, thickness 4mm, at Mihan side strip (Actual Deer size) At Mihan side strip	1	No.	5	Providing, Fabrication & Erecting Crescent Moon having outer diameter of 3m. The moon frame will be of MS bars	1	No.
6	Providing & Fixing G20 Logo in ISO FRP junction corner near Mihan flyover wall in 4 mm thickness, base in RCC structure,	1	No.	6	Providing, Fabrication & Erecting Bird cage of height 2.1m and diameter of 0.91m. The cage is to be made in TMT	1	No.
7	Providing & Fixing G20 Flags with POLE LAMPS for median side, cnc cut lamps reference image and working drawings will be provided, the flags of G20	1	No.	7	Providing, Fabrication & Erecting Smile having diameter of 1.5m. Eyes having diameter of 0.48m and smile having diameter of 0.91m. It is to be made in MS	1	No.

8	Providing & Fixing Flag cloth and printing satin material, flags of size mentioned, these will be erected in poles in between the medians,	1	No.	8	Providing, Fabrication & Erecting Rainbow door having 7 door frames made out of MS box pipes having size 0.30m x 0.30m. Height and width of door	1	No.
9	Providing & Fixing Orange Tree with self illuminated oranges minimum 25 to	1	No.	9	Providing, Fabrication & Erecting Sunbench having inner diamtere of 3m	1	No.
10	Providing & Fixing G20 Logo in ISO FRP junction corner near Mihan flyover wall in 4 mm thickness, wiremesh support	1	No.	10	Providing, Fabrication & Erecting Bottle Chair of height 3m and diameter of 0.60m. The bottle is to be made in TMT	1	No.
11	Providing & Fixing CNC Cutting in M S metal jali ht. 1.50m (with reference to fly over wall) with exterior duco paint,	1	No.	11	Providing, Fabrication & Erecting Feather leaves having 1.5m height made out of MS Sheet having 4mm thickness. The	1	No.
12	Providing & Fixing CNC Cutting in M S metal jali ht. 1.50m (with reference to fly over wall) with exterior duco paint,			12	Providing, Fabrication & Erecting Two Rectangle frames measuring 2.4mx2.4m and 2.4mx1.2m each. Fixed at 30 degree	1	No.
13	Painting dead walls under flyover with local or as in reference theme, shown	1	No.	13	Providing, Fabrication & Erecting Lamp/ Oil Lamp/ Kandil made in MS bars and	1	No.
14	Under Flyover Makeover either under starting from Pride to shivangaon plaza, Painting piers under flyover as shown	1	No.	14	Providing, Fabrication & Erecting Standing human made out of FRP having height of 1.98m and frame made out of	1	No.
15	Providing & Fixing including excavation, PCC for Benches and sitting area with street furniture under Mihan	1	No.	15	Providing, Fabrication & Erecting Horizontal open Scissor made in MS Sheet with necessary MS Bar caging. The	1	No.
16	Providing & Fixing including excavation, PCC for Benches and sitting area with street furniture Chinchbhavan to	1	No.	16	Providing, Fabrication & Erecting 3d illusion cycle made in 5 parts, 2 rounds and 2 triangles. The chair to be made	1	No.
17	Providing & Fixing Orange fruit trees in ISO FRP with lights, Chinch bhavan to	1	No.	17	Providing, Fabrication & Erecting 2D Bulb made of TMT bar or round bar. Height of	1	No.
18	Providing & Fixing Orange boards with location indication, ISO FRP 4 mm			18	Providing, Fabrication & Erecting Metal Scrap door having height of 1.52m and	1	No.
19	Providing & Fixing Orange sculpture in ISO FRP at starting and end of flyover, chinchbhavan side and Mihan side,	1	No.	19	Providing, Fabrication & Erecting Heart Swing of height 3.65m. The swing frame will be made of MS Round pipe of 0.076	1	No.
20	Providing & Fixing Orange tower sculpture in ISO FRP at one end of flyover towards chinchbhavan side	1	No.	20	Providing, Fabrication & Erecting Bench Frame having dimension 2.13m x 2.13m	1	No.
21	Providing & Fixing Orange slice in frp with traslucent effect, self illuminated,	1	No.	21	Providing, Fabrication & Erecting Standing human made out of FRP having	1	No.
22	Providing & Fixing Orange side screening in frame work woven pattern above half cut orange slice, natural look	1	No.	22	Providing, Fabrication & Erecting Old wooden door and frame. The frame size is 10ft x 8ft. The door should be open	1	No.
23	Providing & Fixing Orange Lightpots (self illuminated) at junctions, with ISO FRP with 4mm thickness size as	1	No.	23	Providing, Fabrication & Erecting Stack of books on a table and a big chair. The height will be 2.43m. The chair table and	1	No.
24	Providing & Fixing Street walkway seatout with G-20 Logo in ISO FRP with	1	No.	24	Providing, Fabrication & Erecting Stack of 14 pencils one of the other made in 3mm	1	No.
25	Providing & Fixing Street walkway seatout with G-20 Logo in ISO FRP with frame, as shown in the image, with	1	No.	25	Providing, Fabrication & Erecting 5 pointed Star with a bench. The top height will be 10ft and the maximum	1	No.
26	Providing & Fixing Tree guards for tree base of each tree for beautification (4	1	No.	26	Providing, Fabrication & Erecting Door frame and steps of height 9ft and 10ft	1	No.
27	Tree painting using food colours and lime and geru, as per the designs attached to reference, 2 coats must	1	No.	27	Providing, Fabrication & Erecting MS Sheet Lotus flower bench and sunflowers. The top height will be 7ft	1	No.
28	Tree painting using food colours and lime and geru, as per the designs attached to reference, 2 coats must	1	No.	28	Providing, Fabrication & Erecting Sunflower circle of outer diameter of 10ft and inner diameter 8ft. The flower	1	No.
29	Providing & Fixing Tiger Cubs, illuminated, in FRP, thickness 4mm, median (Actual Cubs size) Size as	1	No.	29	Providing, Fabrication & Erecting Flying bird circle having top height of 9ft height. The circle will have a diameter of 4ft	1	No.
30	Providing & Fixing Tiger Cubs, illuminated, in FRP, thickness 4mm, median (Actual Cubs size) Size as	1	No.	30	Providing, Fabrication & Erecting MS Sheet flower bench. The top height will be 7ft. The flower diameter will be 5ft.	1	No.
31	Providing & Fixing Human sculpture having G20 logo in hand, actual human hight to be considered in sitting	1	No.	31	Providing, Fabrication & Erecting Flying bird frame having top height of 2.74m height and 1.2m width made out of MS	1	No.
				32	Providing, Fabrication & Erecting Message and comma frame having dimension 1.67m x 1.06m. The frame is	1	No.
				33	Providing, Fabrication & Erecting Message frame bench having dimension	1	No.
				34	Providing, Fabrication & Erecting Big metal leaf having 2.13m height made out of MS Sheet having 4mm thickness. The	1	No.

Development at Nagpur International Airport from Terminal Building to Pride Hotel Square for G20. Supply Plastic Pots, Cement Pots, Clay Pots, FRP Pots in Garden Department

1	Non CSR 1 G20 Logo All G20 Logo in UV print with 2.5"	1	No.		Plastic Pots

Nagpur Municipal Corporation
Garden Department

Name of Work :- Providing & Fixing Selfie Point Sculpture at Various Garden at nagpur City

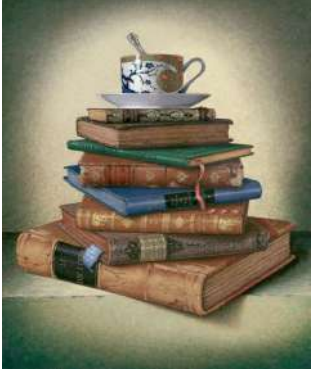

Sr. No.	NAME	PHOTO	SPECIFICATION	UNIT	RATE
1	Shuttlecock		Providing, Fabrication & Erecting 4.8m high real looking shuttlecock having bottom diameter of 4.2m and top (cap) diameter of 1.8m. The shuttlecock will have eight (8) feathers. The shuttlecock is to be installed at an angle of 20 to 30 degrees. The material can be M.S. Sheets or FRP for the feathers and M.S. pipes for the spine and inner caging. The shuttlecock will be grouted in ground by 3 or 4 feather spine only. The feathers should be in white exterior waterproof paint and cap in brown exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
2	Table/ Night lamp		Providing & Fabricating Vinatge Industrial Table/Night lamp having height of 4.5m. The Bulb/lamp cap will have the outer diameter of 1.2m to 1.5m. The lamp sculpture work like the actual lamp, for the same purpose lighting fixtures and connections will be provided. The lamp base will have the diameter of 2.4m to 3m. The lamp is to be fixed on the RCC circular platform having diameter of 2.4m to 3m and 0.30m height. The Lamp should be in white exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
3	Umbrella		Providing, Fabrication & Erecting Old style octagonal shaped umbrella having inclined height of 4.8m and diameter of 7.3m. The umbrella is to be made in MS Sheet with CNC jali work. The spine and handle to be made in MS round bars. The umbrella will be grouted in ground by 2 or 3 spine and side of handle. The umbrella is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
4	Dr. Babasaheb Spectacles		Providing, Fabrication & Erecting Spectacles of Dr. BabaSaheb Ambedkar ji having height of 2.4m, width of 7m and temple length of 6.4m. The Spectacles are with the glass, just the frame reperiecting the spectacles of Ambedkar ji. The complete frame to be made in MS sheets and MS Pipes. The frame will be grouted in ground by bottom of the frame and ends of the temple. The frame is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
5	Crescent Moon		Providing, Fabrication & Erecting Crescent Moon having outer diameter of 3m. The moon frame will be of MS bars and covered with acrylic sheet. The moon will have light provision. The moon will be placed over a RCC platform having diameter of 0.91m and height of 0.15m. The moon is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

6	Bird Cage		Providing, Fabrication & Erecting Bird cage of height 2.1m and diameter of 0.91m. The cage is to be made in TMT bars. It should have a wooden bar swing. The cage will be grouted in the ground at four place. The cage is to be finished in black exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
7	Smile		Providing, Fabrication & Erecting Smile having diameter of 1.5m. Eyes having diameter of 0.48m and smile having diameter of 0.91m. It is to be made in MS pipes. The Smile is to be finished in yellow exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
8	Rainbow Door		Providing, Fabrication & Erecting Rainbow door having 7 door frames made out of MS box pipes having size 0.30m x 0.30m. Height and width of door frames will be 2.4m, 2.7m, 3m, 3.35m, 3.6m, 3.9m and 4.2m. The Rainbow door will be placed over a RCC platform having dimension of 2.7m x 4.87m and height 0.10m. The frames are to be finished in seven colours of rainbows in exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
9	Sun Bench		Providing, Fabrication & Erecting Sunbench having inner diameter of 3m and outer diameter of 3.65m. The sun bench will have 11 rays. The material should be M.S. Sheets for the rays and M.S. pipes for the spine and inner caging. The bench will be made of MS Sheet having a depth of 0.30m. The sunbench will be grouted in ground by 2 rays spine only. The Sunbench should be in painted in colours of Sun using exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

10	Bottle Chair		Providing, Fabrication & Erecting Bottle Chair of height 3m and diameter of 0.60m. The bottle is to be made in TMT bars and the chair in MS Bars and Sheet. The bottle will be grouted in the ground at four place. The cage is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
11	3 Leaf		Providing, Fabrication & Erecting Feather leaves having 1.5m height made out of MS Sheet having 4mm thickness. The design is to be made using CNC technique. The design consist of set of 3 leaf. The leaf is to be grouted in the ground at the nip end. The leaves are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
12	Fitted frame		Providing, Fabrication & Erecting Two Rectangle frames measuring 2.4mx2.4m and 2.4mx1.2m each. Fixed at 30 degree angle to each other. The bigger frame will have 8 vertical bars of size 0.10m x 0.10m. The smaller frame will be made of 0.15m x 0.15m box pipe. Both the frames are to be fixed on a RCC platform measuring 2.43m x 0.60m and height of 0.60m. The frames are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
13	Lamp (Kandil)		Providing, Fabrication & Erecting Lamp/ Oil Lamp/ Kandil made in MS bars and MS Sheets. Height of kandil in 3.65m and Base diameter of 0.91m to 1.21m. The lamp should have provisions of light fittings. The lamp will be fixed on RCC Platform will have a diameter of 1.52m and height of 0.60m. The lamp is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

14	Standing human figure with frame		Providing, Fabrication & Erecting Standing human made out of FRP having height of 1.98m and Frame made out of MS Box pipe of 0.10mx0.10m size. Size of frame is 0.91mx1.5m. The frame will be fixed to the FRP man. The man will be fixed on a RCC platform of 1.52m x 0.91m and height of 0.30m. The frame and man are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
15	Scissor (horizontal)		Providing, Fabrication & Erecting Horizontal open Scissor made in MS Sheet with necessary MS Bar caging. The height of Scissor will be 1.52m and length of 2.43m. The Scissor will be grouted through one end of one blade in the ground. The Scissors is to be finished in Silver exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
16	Cycle		Providing, Fabrication & Erecting 3d illusion cycle made in 5 parts, 2 rounds and 3 triangles. The shapes to be made in MS Pipes. Top height of cycle will be 1.52m. The individual shapes will be grouted in the ground as per the design requirements. The Cycle is to be finished in Yellow exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
17	Bulb		Providing, Fabrication & Erecting 2D Bulb made of TMT bar or round bar. Height of bulb will be 2.1m. The bulb will be fixed on a circular platform having diameter of 0.60m and height of 0.15m. The Bulb is to be finished in Pink exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

18	Scrap door		Providing, Fabrication & Erecting Metal Scrap door having height of 1.52m and width of 0.60m. The door is to be made out of various assorted metal scrap. The door will be gouted in ground through bottom bar. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
19	Heart swing		Providing, Fabrication & Erecting Heart Swing of height 3.65m. The swing frame will be made of MS Round pipe of 0.076 dia. Heart made of 0.38 inch MS Round pipe. The bench will be of MS plate. Carvings made of 0.0127m MS round pipe. The Swing frame will be gouted in ground at two ends. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
20	Bench & Frame		Providing, Fabrication & Erecting Bench Frame having dimension 2.13m x 2.13m The frame and the table is to be made of 0.22m box pipe. The frame is to be gouted in ground through two ends. The frame is to be finised in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
21	Photo frame& human figure with frame		Providing, Fabrication & Erecting Standing human made out of FRP having height of 2.43m and four assymetrical Frame made out of MS Box pipe of 0.050mx0.050m size. The frame will be fixed to the FRP man. The man will be fixed on a RCC platform of 0.60mx0.30m and height of 0.10m. The frame and man are to be finised in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

22	Old Door		Providing, Fabrication & Erecting Old wooden door and frame. The frame size is 10ft x 8ft. The door should be open and fixed. The door and frame should have carvings. The door is to be fixed on a RCC platform measuring 9ft x 1ft x 4inch. The frame is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
23	Table book and chair		Providing, Fabrication & Erecting Stack of books on a table and a big chair. The height will be 2.43m. The chair, table and books will be made of MS sheet of 4mm thickness. MS box pipe of 0.10m and MS round Pipes. The Table and chair will be grouted through the legs in the ground. The chair, table and books are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
24	Pencile		Providing, Fabrication & Erecting Stack of 14 pencils one of the other made in 3mm MS Sheet having 0.20m height and 0.60m length. The total height of the tower is 2.43m to 2.74m. The tower will be fixed on a RCC platform of size 1.2mx 1.2mx 0.30m. The pencils are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
25	Star		Providing, Fabrication & Erecting 5 pointed Star with a bench. The top height will be 10ft and the maximum width will be 12ft. The star will be 2 frames joint through horizontal bars. Width will be 12ft. The star will be made of round pipe of 6inch. The bench will be of MS plate. the star frame will be grouted at 2 tail points. The star is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

26	Door frame and step		Providing, Fabrication & Erecting Door frame and steps of height 9ft and 10ft length. There will be 3 steps. The material will be box pipe of 6inch. The structure will be grouted at four ends. The door and frame are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
27	Lotus Flower bench and sunflowers		Providing, Fabrication & Erecting MS Sheet Lotus flower bench and sunflowers. The top height will be 7ft. The lotus diameter will be 5ft . The flower will be cut in CNC or gas cutting. The flower and bench will be grouted. The flowers and bench are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
28	Sunflower circle		Providing, Fabrication & Erecting Sunflower circle of outer diameter of 10ft and inner diameter 8ft. The flower will be in MS sheet of 4mm thickness and round pipes. The flower will be fixed on a RCC platform of dimension 7ft x 2ft x 6inch. The flowers is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
29	Flying birds		Providing, Fabrication & Erecting Flying bird circle having top height of 9ft height. The circle will have a diameter of 4ft width made out of MS Sheet having 4mm thickness. The design is to be made using CNC technique. The design consist of Flying birds and circle. The the bird frame is to be fixed on the RCC platform of 2ftx2ftx4inch size through MS pole. The birds and circle are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	

30	Flower bench		Providing, Fabrication & Erecting MS Sheet flower bench. The top height will be 7ft. The flower diameter will be 5ft. The flower will be cut in CNC or gas cutting. The flowers and bench will be grouted. The flowers and bench are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
31	Birds		Providing, Fabrication & Erecting Flying bird frame having top height of 2.74m height and 1.2m width made out of MS Sheet having 4mm thickness. The design is to be made using CNC technique. The design consist of Flying birds and Sheet. The the bird frame is to be fixed on the RCC platform of 1.5mx0.30mx0.10m size. The birds and frame are to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
32	Message and comma		Providing, Fabrication & Erecting Message and comma frame having dimension 1.67m x 1.06m. The frame is to be made of 0.22m box pipe. The frame is to be grouted in ground through one end. The frame is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
33	Message frame bench		Providing, Fabrication & Erecting Message frame bench having dimension 1.52x 2.13m. The frame is to be made of 0.22m box pipe and bottom part of MS Sheet. The frame is to be grouted in ground through two end at bottom bar. The frame is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.	
34	Leaf		Providing, Fabrication & Erecting Big metal leaf having 2.13m height made out of MS Sheet having 4mm thickness. The design is to be made using CNC technique. The leaf is to be fixed on a RCC platform of size 0.60mx0.30mx0.30. The leaf is to be finished in specified exterior waterproof paint. The dimensions and designs will be as per drawings. Reference image attached.	1 NO.

Name of Work :- Providing & Fixing of Sclupture at Hotel Pride to Hotel Le Meridien

Sr.No	Photo	Specification	Unit	Rate
1		Providing & Fixing Lotus at Mihan triangle ISO (International organisation for standardization) FRP 6 mm thickness lotus/ GRC material with, stone glass finish (sample approval must from Arch.), with exterior waterproof duco paint (sample approval must from Arch.), colour cream white (sample approval must from Arch.), stone finish (sample approval must from Arch.), removable Earth of size 1.52 mt daimetere in the center in ISO FRP in size matching to that of lotus(sample approval must from Arch.), with fountain with 6 nozels as per specification in center, and colour changing IP67 RGB lights(sample approval must from Arch.), installation of lotus on stone paved base 6.70 mt daimeter (sample approval must from Arch.) paved area in three steps, excavation, soiling, P.C.C., R.C.C, plumbing, submersible pump, submersible cable etc included, water storage tank of 4000 lit at base, submerged behind lotus in ground adjuscent to it. (Lotus size 3.04 x 6.09) Earth image for reference : ISO FRP / GRC specifications as above, removable earth on Lotus	1 No.	
2		Providing & Fixing TIGER, Mihan triangle / strip side (Actual tiger size) one sitting Tiger, size as specified in coloumn in FRP material thickness 4mm, will be erected in MIHAN Traingle at 1 locations as shoven in design, it should look real with texture feel, the tiger will be lacoured and painted using exterior waterproof paint and finished product should look like that of in reference image. The tigers will be fixed on excavation, PCC, RCC, TMT included. platform size 0.60 x 0.60 x 0.90 and burried in ground so as to avoid any civil sturcture visible, to necked eyes, it will be covered by lawns and stones as in sample image sample approval with an architect is a must. (Size 2.25 x 0.80)	1 No.	
3		Providing & Fixing TIGER, Mihan triangle / strip side (Actual tiger size) one standing Tiger, size as specified in coloumn in FRP material thickness 4mm, will be erected in MIHAN Traingle at 1 locations as shoven in design, it should look real with texture feel, the tiger will be lacoured and painted using exterior waterproof paint and finished product should look like that of in reference image. The tigers will be fixed on excavation, PCC, RCC, TMT included. platform size 0.60 x 0.60 x 0.90 and burried in ground so as to avoid any civil sturcture visible, to necked eyes, it will be covered by lawns and stones as in sample image sample approval with an architect is a must. (Size 1.21 x 2.43)	1 No.	
4		Providing & Fixing DEERS, glowing ,in FRP, thickness 4mm, at Mihan side strip (Actual Deer size) At Mihan side strip, Size as shoven in specifications in daigram in RCC buried in ground and covered with lawns, daimentions of design will be as mentioned in coloum and further calrification willbe as per the drawings, refernce image attached. excavation, PCC, RCC, TMT included. sample approval with an architect is must. (Size 1.21 x 1.09)	1 No.	

5		Providing & Fixing DEERS, glowing ,in FRP, thickness 4mm, at Mihan side strip (Actual Deer size) At Mihan side strip, Size as shown in specifications in daigram in RCC buried in ground and covered with lawns, daimentions of design will be as mentioned in coloum and further calrification willbe as per the drawings, reference image attached. excavation, PCC, RCC, TMT included. sample approval with an architect is must. (Size 1.21 x 1.09)	1 No.	
6		Providing & Fixing G20 Logo in ISO FRP juction corner near Mihan flyover wall in 4 mm thickness, base in RCC stucure, with additional frame work for selfie point, self illuminated, as per the reference image, working drawings will be provided, as per the measurments. it should look good with exterior waterproof paints.sample approval with an architect is must. (Size 1.21 x 1.70)	1 No.	
7		Providing & Fixing G20 Flags with POLE LAMPS for median side, cnc cut lamps reference image and working drawings will be provided, the flages of G20 nations will be imbeded from top of lamps, lamps will be self illuminated in RGB colours, IP 67 is a must being out door. it should look good with exterior waterproof paints in metal look. Pole Ht.3.5m with 0.15m dia. Flag Pole Ht.0.80 with 0.075 dia. CNC cut lamp poles reference image, working drawings will be provided, material FRP/Metal finish, 4mm thickness with excavation, PCC, RCC etc. at base for fixing lamps on clamps nut bolt system, flags will be claped on similar lampposts. sample approval with an architect is must.	1 No.	
8		Providing & Fixing Flag cloth and printing satin material, flags of size mentioned, these will be erected in poles in between the medians, Standard size rules to be followed. sample approval with an architect is must. Flag Pole Ht.0.80 with 0.075 dia. (Flag Size 0.76 x 0.54)	1 No.	
9		Providing & Fixing Orange Tree with self illuminated oranges minimum 25 to 30 numbers in qty, orange fruits and tree in ISO FRP material in 4mm minimum thickness, excavation, PCC, RCC, etc included, base plate for fixing lamps on clamps nut bolt system, tree base 0.6 x 0.6 x 0.6. working drawings will be provided, reference image is attached. sample approval with an architect is must. Ht.3.0	1 No.	
10		Providing & Fixing G20 Logo in ISO FRP juction corner near Mihan flyover wall in 4 mm thickness, wiremesh support must, excavation, PCC, RCC, etc included, with additional frame work for selfie point, self illuminated, as per the reference image, working drawings will be provided, as per the measurments. Water proof, it should look good with exterior waterproof paints. at Mihan cornerin side strip, reference image as attached. sample approval with an architect is must. Ht.3.0m	1 No.	

11	 	Providing & Fixing CNC Cutting in M S metal jali ht. 1.50m (with reference to fly over wall) with exterior duco paint, lacour finish having lotus petals desing with "WELCOME to NAGPUR, G-20 SUMMIT" LED light with, backlit at MIHAN flyover with wall, wash exterior waterproof white paint on wall, LED strip of lights will be behind the cnc cut metal work to be fixed on flyover in box form 0.15m from fly over wall , working drawings will be provided. Reference image attached. sample approval with an architect is must. Lenth.20.0m	1 No.	
12	 	Providing & Fixing CNC Cutting in M S metal jali ht. 1.50m (with reference to fly over wall) with exterior duco paint, lacour finish having lotus petals desing with "THANK YOU, VISIT AGAIN, G-20 SUMMIT" LED light with, backlit at MIHAN flyover with wall, wash exterior waterproof white paint on wall, LED strip of lights will be behind the cnc cut metal work to be fixed on flyover in box form 0.15m from fly over wall , working drawings will be provided. Reference image attached. sample approval with an architect is must. Lenth.20.0m	1 No.	
13		Painting dead walls under flyover with local or as in reference theme, shoven in design for reference, approval from an architect is a must. Warli painting water proof paints is a must with lacour coating. (Size 4.57 x 3.0)	1 No.	
14	 	Under Flyover Makeover either under starting from Pride to shivangaon plaza, Painting piers under flyover as shoven in reference images, the paints should be water proof exterior paint, onehand of primer and 2 coats of base paint is a must with lacour coating., size as under flyover	1 No.	
15		Providing & Fixing including excavation,PCC for Benches and sitting area with street furniture under Mihan flyover with selfie point, in S S furniture with FRP coating seat top, RCC work required for creating paved area below the seats / benches , sample is shared in reference image, pre approval with an architect is must., sizes as mentioned in coloumn. sample approval with an architect is must. (Size 1.5 x 0.45 x 0.45)	1 No.	
16	 	Providing & Fixing including excavation, PCC for Benches and sitting area with street furniture, Chinch bhavan to Mihan (1.50x0.45x0.45) Benches and sitting area with street furniture in S S furniture with FRP coating seat top, RCC work requiredfor creating paved area below the seats / benches , sample is shared in reference image, pre approval wit an architect is must., sizes as mentioned in coloumn. sample approval with an architect is must. (Size 1.5 x 0.45 x 0.45)	1 No.	

17		Providing & Fixing Orange fruit trees in ISO FRP with lights, Chinch bhavan to Mihan self illuminated oranges, minimum 8 to 10 oranges in each tree, size as mentioned in coloumn, in ISO FRP with self illuminated pot fixed in RCC with nut and bolt system, excavation, PCC, included. reference dwg will be provided, reference image attached. sample approval with an architect is must. Ht.1.21	1 No.	
18		Providing & Fixing Orange boards with location indication, ISO FRP 4 mm thickness, board will be visible from both sides, having SS pole with base plate, details as per working dwg, reference image attached. excavation, PCC, included. RCC fixing with nut bolt is a must. Ht.1.82	1 No.	
19		Providing & Fixing Orange sculpture in ISO FRP at starting and end of flyover , chinchbhavan side and Mihan side, small real orange sized oranges will be clubbed together to from bigger orange as shown in the ref. image or one single big orange of, 3.0m ht and 3.0m daimeter, havint leaf and stem in the middle at top, it will be fixed in ground by raizing nice mound or nessecery fixing fabrication of base support for stability of orange is a must, nessecery provision to made for installation and fixing . (like I-Beam joining & connecting both ends of road), slope below will be covered with lawns and flowering bushes, invisible orange light from out as well as inside, self illuminated, 4mm thickness of ISO FRP is a must, fabrication in MS with antirust is must, painting using exterior water proof paints. Reference image attached, working drawing will be provided (Size 3.0m x 3.0m)	1 No.	
20		Providing & Fixing Orange tower sculpture in ISO FRP at one end of flyover, towards chinchbhavan side, Mihan side, 3 big oranges will be clubbed together to from bigger orange tower as shown in the ref. image, 1.82m ht and 1.82m daimeter, 3 numbers oranges, it will be fixed in ground by raizing nice mound or nessecery fixing fabrication of base support for stability of orange is a must, nessecery provision to made for installation and fixing . (like I-Beam joining & connecting both ends of road), slope below will be covered with lawns and flowering bushes, invisible orange light from out as well as inside, self illuminated, 4mm thickness of ISO FRP is a must, fabrication in MS with antirust is must, painting using exterior water proof paints. Reference image attached, working drawing will be provided (Size 3.0m x 3.0m)	1 No.	
21		Providing & Fixing Orange slice in frp with traslucent effect, self illuminated, placing on flyover wiremesh work, thickness of orange slice will be 6inch in sandwitch form, on both sides of flyover, it should look like natral orange slice, quality is a must, sizes as mentioned, errection on sidewalls/on the exisiting wiremesh using nut bolt is a must, reference image attached, ISO FRP thickness minimum 4mm, sample approval is a must from an architect. Pole/ L angel support if needed. (Size 1.21 x 2.43)	1 No.	
22		Providing & Fixing Orange side screening in frame work woven pattern above half cut orange slice, natural look is a must, size of orange must be that of the actual orange. 30 Rmt	1 No.	
23		Providing & Fixing Orange Lightpots (self illuminated) at junctions, with ISO FRP with 4mm thickness size as mentioned in specifications, working dwg will be provided, excavation, PCC, included. pots will be fixed in RCC base required for fixing pot with nut bolt system, sample approval with an architect is a must, waterproof paints must be used with lacor finish Ht.0.91	1 No.	

24		Providing & Fixing Street walkway seatout with G-20 Logo in ISO FRP with frame, as shown in the image, with proper support, SS with lacor coating fixing of base in RCC and stone paving at base is a must, size as per specification, reference image attached, working dwg will be provided with selfie point at junction. Use of ISO FRP for making selfie points, working drawings will be provided. excavation, PCC for frame & benche (1.50x0.45x0.45) Lenth.3.65 m	1 No.	
25		Providing & Fixing Street walkway seatout with G-20 Logo in ISO FRP with frame, as shown in the image, with proper support, SS with lacor coating fixing of base in RCC and stone paving at base is a must, size as per specification, reference image attached, working dwg will be provided with selfie point at junction. Use of ISO FRP for making selfie points, working drawings will be provided. excavation, PCC for frame & benche (1.50x0.45x0.45) Lenth.3.65 m	1 No.	
26		Providing & Fixing Tree guards for tree base of each tree for beautification (4 Nos, frames for each tree, size of one frame 0.45m x 0.45m) thickness of ISO FRP should be 4mm minimum with solid hardner, exterier water proof colours or use of pigment, working dwg will be provided, refer to image.	1 No.	
27		Tree painting using food colours and lime and geru, as per the designs attached fo refrence, 2 coats must Dia.0.45m & Ht.3.0m	1 No.	
28		Tree painting using food colours and lime and geru, as per the designs attached fo refrence, 2 coats must Dia.0.45m & Ht.3.0m	1 No.	
29		Providing & Fixing Tiger Cubs, illumineted ,in FRP, thickness 4mm, median (Actual Cubs size) Size as shown in specifications in daigram in RCC buried in ground and covered with lawns, daimentions of design will be as mentioned in coloum and further calrification will be provided as per the drawings, reference image attached. excavation, PCC, RCC, included. sample approval with an architect is must. (Size 1.21 x 1.09)	1 No.	
30		Providing & Fixing Tiger Cubs, illumineted ,in FRP, thickness 4mm, median (Actual Cubs size) Size as shown in specifications in daigram in RCC buried in ground and covered with lawns, daimentions of design will be as mentioned in coloum and further calrification will be provided as per the drawings, reference image attached. excavation, PCC, RCC, included. sample approval with an architect is must. (Size 1.21 x 1.09)	1 No.	
31		Providing & Fixing Human sculpture having G20 logo in hand , actual human hight to be considered in sitting position, G20 will be self illumniated, ISO FRP material having 4mm thickness, sculpture having fixed RCC baseas shown in the image, working dwg will be provided, excavation (Size 0.45 x 0.45 x 0.45), PCC, RCC, included. sample approval with an architect is must. Human Ht.1.06m	1 No.
